Others	--	--	--	Lending/Relending rates for State Owned Companies as well as terms on repayment period will be determined by the Government on a case-by-case basis. For that, Government will consider company's capital structure and its nature of business. Terms mentioned in loan agreements will also be considered to determine relending terms.

**General Conditions:**

- (1) For Aided Projects relending terms (rates of interest, repayment period, grace period etc.) will be as agreed in the negotiated Credit Agreement (if there is any).
- (2) Relending rates indicated here will not apply in case of Suppliers Credit where it could be arranged in more favourable terms and conditions. Concerned Institution/Corporation will bear foreign exchange risk to repay the loan as per Credit Agreement.
- (3) Grace period may be varied when the gestation period of a Project is longer with or without changing the repayment period. No principal or interest payment is to be made during grace period. But interest will accrue during the grace period and will be taken into consideration while fixing amortization schedule.

- (4) Feasibility studies should normally be undertaken by Autonomous Bodies and Public corporations out of their own resources. In appropriate cases Government may also direct such agencies to undertake feasibility studies for various projects. In the later case, funds will be provided by the Government as grant.
- (5) At present, the Lending & Relending terms are not applicable for Bangladesh Railway (BR) because it is considered as a Government Directorate and Foreign Loans are given to BR as grants from the Government. For possible future operation of BR as a Corporate Body, all Government investments will be at a constant rate of return at 2% according to the Railway Act. For foreign currency loan, the rate of interest and other terms and conditions stipulated in the Credit Agreements shall apply.
